

TOP 10

fundraising

ideas

for schools

Fundraising for us is a great way to raise Deaf Awareness whilst having fun!

Our friendly team would love to support you with hints, tips and materials (and even more ideas!). Get in touch on community.fundraising@ndcs.org.uk or call **020 7014 1199**.

Here are our top ten ideas for how your school can get involved:

1 Talent show

Do you have some budding Beyoncés in your classroom? Or maybe some magnificent magicians? Why not show off hidden talents at a school show.

2 Fingerspellathon

The Fingerspellathon is a sponsored fingerspelling event. How many words can you get sponsored to spell correctly? Register now for our fun fingerspelling resources and activities. www.ndcs.org.uk/fingerspellathon

3 Big Cake Bake

Our Big Cake Bake is a firm favourite – who doesn't like cake? Order our pack stuffed full of goodies and helpful information for your bake sale and eat as much cake as you can!

www.ndcs.org.uk/bigcakebake

4 Sponsored walk or swim

Are your pupils learning how to swim? A sponsored swim is the perfect way to make a fundraising splash! If they're not swimming, how about a sponsored walk or run?

5 Games afternoon

Everyone loves a board game, so why not get children to bring in their favourites for an afternoon of friendly competition?

Still feeling stuck for ideas? Don't worry, we have more! Contact us on community.fundraising@ndcs.org.uk or **020 7014 1199** for more fundraising fun.

i We'd love to support you with your fundraising so please get in touch on community.fundraising@ndcs.org.uk or **020 7014 1199**.

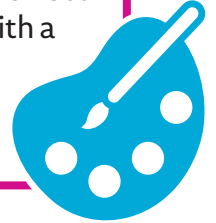

6 Sports day

Sports day is a great way to get fundraising. Children can get sponsored for taking part in various sports, or you could add extra activities like a hula-thon or a sponsored skip.

7 Crafts afternoon

This is a great way to spend an afternoon, especially if it's near Christmas, Diwali or Mother's day. Children can craft the perfect gift for friends and family with a donation to take part.

8 Bring and buy

One person's trash is another's treasure so why not organise a bring-and-buy sale in your school hall?

9 Dress down day

Kids love the opportunity to wear their own clothes into school. Ask for a £1 donation for pupils to come into school out of uniform – you'll soon see the funds rolling in.

10 Read-a-thon

How long do you think your children can sit still and read for? Get the children to be sponsored to read as much as they can in a day or in a lesson.

However you are fundraising, we can't wait to hear from you. Just get in touch on community.fundraising@ndcs.org.uk or **020 7014 1199** and we'll be happy to help with ideas, materials and advice.

Thanks to you
and your school
for helping us be
there for every
deaf child. Let's get
fundraising!
